Please understand me meaning

Log in Book by David Keirsey Please Understand Me AuthorDavid Keirsey and Marilyn BatesCountryUnited StatesLanguageEnglishSubjectTemperament, psychology, personalityPublisherPrometheus Nemesis BooksPublication date1978Media typePaperbackPages210ISBN978-0-935-65202-4OCLC11585453Followed byPlease Understand Me II: Temperament, Character, Intelligence Please Understand Me: Character and Temperament Types (first published in 1978 as Please Understand Me: An Essay on Temperament Styles) is a psychology book written by David Keirsey and Marilyn Bates which focuses on the classification and categorization of personality types. The book contains a selfassessed personality questionnaire, known as the Keirsey Temperament Sorter, which links human behavioral patterns to four temperament types and sixteen character types. Once the reader's personality type has been ascertained, there are detailed profiles which describe the characteristics of that type. Based upon the notion that people's values differ fundamentally from one another, Keirsey drew upon the views of several psychologists or psychiatrists: Ernst Kretschmer, Erich Adickes, Alfred Adler, Carl Jung, and Isabel Myers who are all mentioned as predecessors in the psychology of temperament or personality.[1] Of these methods, preference is given to the Myers-Briggs test when determining personality type.[2] Sixteen personality types Keirsey and Bates offer a personality inventory to help readers identify their type. They are taken from the Myers-Briggs Personality Inventory. The sets of indicated preferences create sixteen types: E or I (Extraversion vs. Introversion) N or S (INtuition vs. Sensation) T or F (Thinking vs. Feeling) J or P (Judging vs. Perceiving) An appendix offers a concise profile description for each of the sixteen types into four groups, whose archetypes he equates with the classical four temperaments; SP (Artisan), SJ (Guardian), NT (Rational), and NF (Idealist). SP (ISTP, ISFP, ISFP, ISPP, ESTP, ESFP): Called the Dionysian or Artisan temperament NT (INTJ, ENTP, INTP, ENTJ): Called the Apollonian or Idealist temperament Keirsey organizes the groups asymmetrically, asserting Thinking vs. Feeling as the most salient distinction among intuitives, but Judging vs. Perceiving as the most salient distinction among Sensers. His methodology emphasizes the four temperaments, as he defines them, to generalize about different aptitudes and needs. Please Understand Me II (1998) is a sequel, whose methodology generalizes more so according to these four categories.
